

Andrianantenaina

Tafita Finaritra

PROFESSIONAL AUDIO TRANSCRIBER, SUBTITLER & TRANSLATOR

PROFILE

Detail-driven language professional based in Madagascar, combining native-level French (France & Canada conventions) with strong English proficiency (US & UK conventions) and a rigorous technical background in software development. Experienced in subtitling since 2024, transcription, and translation, with a natural discipline for timecode-accurate, deadline-proof work. Known for meticulous attention to detail and the ability to work independently with minimal supervision.

EXPERIENCE

Freelance Subtitler & Audio Transcriber

Self-employed, Madagascar — since 2024

Subtitling and transcription of English-language audio/video content following verbatim / clean verbatim conventions, speaker formatting, timecode accuracy, and client style guides. Comfortable across varied formats: interviews, conversations, structured content.

Freelance Software Developer

Self-employed, Madagascar

Development of desktop software (Python) and mobile applications (Flutter/Dart) for individual clients and associations. Full project ownership, from requirements analysis to delivery — work demanding constant precision and rigor.

EDUCATION

Master's Degree — Environment and Sustainable Development

Coursework including environmental data analysis and precise technical documentation writing.

SKILLS

- Subtitling & timecode-sensitive workflows
